thinkSMALL - World Wide Ministry

- Gary & Paula Hays

Gary and his wife, Paula, founded thinkSMALL in 2007. thinkSMALL was formed with the belief that God has a plan to reach and raise up the youngest generation to transform our nations for Jesus!

I believe that God has a plan for redeeming the world. Through His Son, His Gospel with ‘all people who believe’ free! The greatest opportunity to grow the Kingdom of God is through the children. They are the most open and spiritually hungry. But the local church is the key. NOW is the time to reach the children for Christ and see our nations reborn again!”
